

Getting started with Reports

Use Cases

Quick Tips

Examples

You can use Reports however you like. Here are a few examples:

Notes to self

Add a graph to reference later.

[See Example →](#)

Work log

Track what you've tried and plan next steps.

[See Example →](#)

Collaborate

Sharing findings with your colleagues.

[See Example →](#)

Featured Reports

[Go to Fully Connected →](#)

Check out how others are using reports:

Untitled Report

Add a description...
